REPLY.

(To be written on this margin.)

Office of the Dewan of Mysore.

NOTE.

Dated 29th October *191* 4.

(1) The accompanying D.O. letter dated 28th October 1914 from Col. T.H.Foulkes, Durbar Physician and Surgeon, Mysore, enclosing copy of his official letter to the Secretary to Government, General and Revenue Departments, which contain his recommendations in regard to the two bungalows now in his occupation and the menial establishment attached thereto, is forwarded to the Secretary for favour of necessary action.

(2) I think it is necessary to prepare at once, a list of the furniture and other articles belonging to Government now in these bungalows, and arrange for taking charge of the same when Col. Foulkes leaves the place. The Executive Engineers, Bangalore and Mysore, respectively, may be instructed at once to attend to this work on receipt of a requisition from Col. Foulkes.

(3) At the same time, some well considered suggestions should be made for making proper use of these buildings during Col. Foulkes's absence. The establishment entertained for them may, I think, be kept on at least for three months in the first instance till we know definitely whether Col. Foulkes will return to Mysore or not.

4 The Executive Engineer concerned in each case should be responsible to submit suggestions for making a proper use of these buildings, or at all events to keep Government informed that bungalows which can fetch rent are vacant. Regard should be had to the fact that if Col. Foulkes is to return to duty, the buildings and furniture should be made available to him in a tidy condition.

5 The case may be worked up and submitted through the Member in charge early.

6 The draft of the reply sent to Col. Foulkes is placed on the file.

7 It has come to notice that some bungalows maintained by the Public Works Department are occupied by officers of other Departments and no action is taken by either department to safeguard Government interests by making or suggesting a good use of them for official purposes. It is necessary to issue a circular order on the point from the Public Works Department. The General Department should please make a note and see that the orders issued by the Public Works Department are properly enforced and observed.

My dear Col. Foulkes,

I am in receipt of your D.O. letter of yesterday, enclosing a copy of your official letter to the Secretary to Government in the General and Revenue Departments, in regard to certain proposals in connection with the Bungalows now in your occupation and the establishment attached thereto.

These proposals have, ~~as you know~~, to be threshed out in the Secretariat and pass through the Member of Council in charge before they come up to me. I am asking the Secretary to expedite the submission of the papers. Every endeavour will be made to meet your wishes as far as possible.

Should you be leaving Mysore before definite arrangements are made by Government for the charge of the buildings and furniture, you may kindly arrange to transfer the charge to the Executive Engineer, Mysore Division, who ~~has been~~ instructed ~~in the matter~~.

~~I sincerely trust that you will before long be back in Mysore.~~

Yours sincerely,

My dear Dewan Sahib

I enclose copy of letter I have sent to the G. & R. See. I hope you will approve of the few suggestions I have made. My trouble is

that I do not know if I shall come back – depending I suppose on H.H.'s moves, or if I do, when. It would simplify things if these two points were known but

though the first might be the second is in the lap of the gods.

Yours sincerely

~~The Dewan of Mysore~~

Sir

In view of the fact that I may be leaving Mysore at any moment to return to military I have the honour to request that you will kindly consider the following points regarding the houses occupied by me in Bangalore + Mysore I cannot be very definite as I do not know of course if I shall return here on the expiry of my military service.

1. West Bank. Bangalore

In G.O. 3947-8/C M 105-12-12 d/21-1-13) sanction was accorded to payment of House

rent at Rs 133.4.10 p.m. from 1.12.12 for West Banks taken on a lease of 3 years there being no Govt. house available. The lease was for 3 years as Govt. considered the question of the necessary repairs & in G.O. 622/4 Med 3.12.12 d/14.2.13 sanctioned the sum of Rs 700 for repairs Rs 1500 for furniture & Rs 8 p.m. for watchman. I would suggest that on my departure Govt. should pay the rent direct to the landlady Miss Haines. Cleveland Town. Bangalore, it having previously been drawn by me in my pay bills (the receipts for same are in the Bank of Madras)

I would also suggest that the watchman Francis be kept on (Rs 8 p.m) to look

after the furniture which is Govt. property as long at any rate as Govt. keeps the furniture in the house. He has already 5 years service in the Private Secretary's house & I have found him a reliable man.

2. Mysore. This being a Govt. building will I presume be kept up. I would suggest that the garden be maintained as at present. A lot of trouble has been taken with it & it would be a pity to let it deteriorate, the house is bound to be utilised again whether for me, my successor or someone else.

3. The Peons attached to me. Of these Buddhar Siddhavana & Peon Mancha are on the permanents establishment having come from the Private Secretary's office. Peons Amir & Yusuf were taken on in 1912

they are both useful & reliable men & I would strongly recommend their being given posts if possible. If Govt. cannot see their way to employing them I would recommend that Seor Amir might be kept on as watchman to the Mysore house in place of the present man Satwaji who is less reliable.

I have the honour to be

Sir

In view of the fact that I may be leaving Mysore at any moment to return to military duty I have the honour to request that you will kindly consider the following points regarding the houses occupied by me in Bangalore & Mysore. I cannot be very definite as I do not know of course if I shall return here on the expiry of my military service.

1. West Bank Bangalore.

In G.O. 3947-8/4 M 105.12.10 d/21.1.13 sanction was accorded to payment of honorarium at Rs 133.4.10 p.m. from 1.12.12 for West

Bank taken on a lease for 3 years there being no
Govt. House available. The lease was for 3
years as Govt. considered the question of the
necessary repairs & in G.O 622/4 Med 3.12.18
d/17.2.13 sanctioned the sum of Rs 700 for
repairs Rs 1500 for furniture & Rs 8 p.m. for
a watchman. I would suggest that on my
departure Govt. should pay the rent
direct to the landlady Miss Haines, Cleveland
Town. Bangalore: it having previously been
drawn by me in my pay bills (receipts for
payments of rent are in Bank of Madras)
I would also suggest the the watchman
Francis be kept on (Rs 8 p.m) to look after
the furniture which is Govt. property.

He has already 5 years Govt. service in the Private Secretary's house & I have found him a reliable man.

2. Mysore. This being a Govt house will I presume be kept up. I would suggest that the garden be maintained as at present A lot of trouble has been taken with it & it would be a pity to let it deteriorate as the house is bound to be used again whether for me, my successor or someone else.

3. Of the peon attached to me Duffedar Siddharama & Peon Mancha are on the permanent establishment having come from the Private Secretary's office. Peons Amir & Ghous were taken on in 1912 they are both useful & reliable men & I would strongly recommend their being given posts if possible. If Govt. cannot see their way

to employing them I would recommend that
Poon Ama be kept on as watchman to
this house in place of the present man
Sadhuji who is less reliable.

MYSORE PUBLIC WORKS DEPARTMENT,

Dated Bangalore, the 25th November 1914.

From

J. S. Chakravarti Esq., M.A., F.R.A.S., Etc.,
Comptroller to the Government of Mysore,

To

Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

Adverting to Government Proceedings No.G.4583-9/G.M.223-14-3 dated the 6th November 1914, directing among other things, that, during the absence of Lt. Col. Foulkes from Mysore, the payment of establishment charges etc., on account of his --- bungalows at Mysore and Bangalore should be made by the Executive Engineers of the Divisions concerned by drawing the required -- amount from the Mysore District Treasury, I have the honour to state that the procedure indicated is not in accordance with the rules of the Public Works Department, under which the Executive Engineers, as Public Works Disbursers, are not permitted to draw on any other funds except those placed at their disposal by means of letters of credit. The proper course to be adopted under the circumstances is to require the Executive Engineers to pay the --- charges from funds against their letters of credit and debit them to the Civil Department in their monthly accounts for adjustment. I have accordingly instructed the Executive Engineers concerned to adopt the above modified procedure.

With regard to para 2 of the Government Order under reference, any rent that may be realised by letting out the bungalow at Mysore - which is a Government Building - will be credited to Public Works Department while in the case of the bungalow at --

Bangalore

Bangalore-which is a private building the income from rent will be credited to the Civil Department.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Comptroller,
